### Specification

|                       |                          |
|-----------------------|--------------------------|
| Base colour           | White (NCS S 1000-N)     |
| Glass thread (mm)     | 123,5 mm                 |
| Glass gasket          | Silicone                 |
| Diameter (mm)         | 140                      |
| Height (mm)           | 45                       |
| Lamp holder           | E27                      |
| Light source          | E27, max 40W (not incl.) |
| Lighting control      | E27, max 40W (not incl.) |
| Rated voltage         | 230V                     |
| IP class              | IP44                     |
| Insulation class      | II                       |
| IK class              | IK02                     |
| Ta                    | -30 - +25                |
| Installation          | Ceiling/wall             |
| CC measurement (mm)   | 60-66, 70                |
| Knock out opening     | 4                        |
| Cable inlet           | Bottom inlet             |
| Cable glands          | Bottom inlet             |
| Bridging              | Yes                      |
| Surface mounted cable | Yes                      |
| Family                | Bases                    |

### Maintenance

Disconnect the luminaire. Remove the shade and clean it. Do not use cleaning agents containing solvents. Change the light source if necessary. Check the gasket and change it if necessary. Replace the shade.
