

## 4675

Design By Martín Azúa

The Dots ambient lamp is a compact, circular wall sconce that offers diffuse lighting effects. The fixture rests slightly apart from the wall, radiating an indirect glow around its perimeter like a halo. Available in solid wood from sustainable forests or lacquered in four Chromatica colours.

#### Lighting effect

##### General Lighting

Lamp that emits an upward or backward beam that is reflected by the ceiling or wall.

#### Photometric Data

|                          |            |
|--------------------------|------------|
| <b>Efficiency</b>        | 65.93 lm/W |
| <b>Coordinate System</b> | CG         |
| <b>Total Flux</b>        | 406.13 lm  |
| <b>Maximum Value</b>     | 165.51 cd  |

#### Other Applications

All of our products come with a five-year warranty. Check our legal terms at [www.vibia.com/warranty](http://www.vibia.com/warranty)
